VERSE 1

Dmsus F Am G
Well it's nothing short of crazy,
Dmsus F Am G
Oh the way I run away
Dmsus F Am G
And you would think for all my bruises,
Dmsus F Am G
I would have learned by now to stay
Dmsus F Am G
But my wild heart is starting to learn
Dmsus F Am G
The wonder of this love I could not earn

CHORUS

F C Am G F C Am G
It's Your love Lord, that brings me to be, all of the things You say I can be
F C Am G C/E C/E F F Am Am G G
It's Your love Lord that never stops changing me

VERSE 2

Dmsus F Am G
Well I admit I've been a hard one,
Dmsus F Am G
So full of stubbornness and shame
Dmsus F Am G
But I've been melted by mercy
Dmsus F Am G
And through it all Your grace has remained
Dmsus F Am G
So take my wild heart, I give it to You;
Dmsus F Am G
It's Yours to keep, Lord just do what You do
